**Walk-in-Interview for the post of**

**Senior Project Scientist for NGS (Date: 6<sup>th</sup> June, 2022)**

Potential candidates are invited for a **walk-in-interview on 20<sup>th</sup> June 2022** for the position of one Senior Project Scientist in the Next Generation Sequencing Facility in the BioX Centre at IIT Mandi.

**Job profile:** The Senior Project Scientist will perform R&D in the areas of Next Generation Sequencing (NGS) technologies, including NGS sample preparations, NGS Library preparation, Library QC and quality analysis, and setting up the NGS runs.

**Eligibility:** PhD in Life Sciences/Biotechnology or relevant subject area.

**Selection criteria:**

***Essential:*** Excellent communication skills, ability to work both independently and as part of a multidisciplinary team, willingness to learn new techniques.

***Desirable:*** Knowledge and experience in experimental biology, and those who have experience in handling NGS related experiments, will be preferred.

**Fellowship:** 50,000-70,000/- depending on the qualification and experience as per IIT Mandi guidelines.

**Duration:** Initially for 1 year (Maybe extended subject to the performance and availability of funds). The selected candidate will need to join immediately.

**Investigators:**

Dr Tulika Prakash Srivastava, PhD Associate Professor School of Basic Sciences, IIT Mandi. <a href="http://faculty.iitmandi.ac.in/~tulika/">http://faculty.iitmandi.ac.in/~tulika/</a>
---

**Walk-in-interview:** 20<sup>th</sup> Jun 2022. The interview will be conducted in an online mode. Potential candidates are required to fill their information in the below mentioned google forms by 15<sup>th</sup> Jun 2020. In addition, the candidates are required to also send their detailed CV to [tulika@iitmandi.ac.in](mailto:tulika@iitmandi.ac.in) along with a covering letter by 15<sup>th</sup> Jun 2020.
